U.S. 45/52 Road Work to Begin

(Milling and Resurfacing)

Ottawa, IL – The Illinois Department of Transportation announces that (weather permitting) resurfacing activities will begin the week of May 18, 2015 on U.S. 45/52 in Kankakee. The 3.0 mile project consists of milling and HMA resurfacing, from IL 17 and ending north of I-57. Additional work will include traffic signal loop detector replacements at various intersection and reconstruction of existing sidewalk ramps along U.S. 45/52.

A \$1,985,307.99 contract has been awarded to Kankakee Valley Construction Company of Kankakee, IL for the work. The contract is anticipated to be complete by early autumn.

Motorists are encouraged to use extreme caution when traveling through the work zone and to be alert for changing traffic patterns, flaggers and all other workers.

Please slow down and use extreme caution while driving through all work zones.

(Contract #66A24)
